Frisco Award Program Honors the Achievement

FRISCO October 21, 2017 -- Advanced Proactive Solutions, LLC has been selected for the 2017 Best of Frisco Award in the Consulting Services category by the Frisco Award Program.

Each year, the Frisco Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Frisco area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2017 Frisco Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Frisco Award Program and data provided by third parties.
